

scpi/SCPI_specificCmds.h

```
graph BT; A[scpi/scpi.h] --> B[scpi/SCPI_specificCmds.h]
```

The diagram illustrates a dependency between two header files. At the bottom is a white box labeled 'scpi/scpi.h'. A blue arrow points vertically upwards from this box to a gray box at the top labeled 'scpi/SCPI_specificCmds.h'. This indicates that 'scpi/scpi.h' includes or depends on 'scpi/SCPI_specificCmds.h'.
